

CALL FOR PAPERS

XII International Scientific and Practical Forum "Environmentally sustainable cities and settlements: Problems and Solutions"

(ESCP-2023)

Hanoi, April 20-21, 2023.

Dear Colleagues,

Hanoi Architectural University and Moscow State Construction University organizes the 12th International Scientific and Practical Forum "Environmentally sustainable cities and settlements: problems and solutions" (ESCP-2023) which is held on 20th and 21st Apr 2023 in Hanoi, Vietnam. We invite researchers, engineers, industrial participants, and lecturers to share their research findings.

All full paper submissions will be peer-reviewed and evaluated based on originality, technical and/or research depth, accuracy, and relevance with the theme of the conference. The forum will be held online by English language.

PUBLICATION

All accepted abstracts and full papers will be published in the proceedings and all our partner publishers which are SCOPUS-indexed and delivered during the conference (calls for papers)

TOPIC OF INTEREST

Panel session 1. "Real estate development in the formation of sustainable cities"

Panel session 2. "The ecological cycle of the construction sector and "healthy" houses construction"

Panel session 3. "Environmental issues of construction technologies"

Panel session 4. "Formation of territories and utility communications functioning"

Panel session 5. "Rational use of resources"

Panel session 6. "Ecological cycle: renewable heat and electricity, waste water, greenery and cultivation"

Panel session 7. "Sustainable development of transport infrastructure ensuring ecological safety of the city".

GUIDE FOR AUTHOR

Deadline for abstract submission is 15th March 2023. Author(s) are invited to submit the abstract and full papers (10-12 pages) including references, title, and abstract. (The form as attached file)

All the abstracts and full papers must be submitted online via the conference email: escp2023@hau.edu.vn

For any query, please contact us at above email.
