

Sponsorship proposal letter

From: Organization committee of MSC 2017

To the attention of organizations and companies

You are cordially invited to take part and contribute in the success of our international conference:

MATERIALS, STRUCTURES AND CONSTRUCTION TECHNOLOGY – MSC 2017

Hosting organization:

- **Hanoi Architectural University**
- **State Authority for Construction Quality Inspection**

Location: **Hanoi Architectural University**

Date: **November 10th, 2017**

On the occasion of the 45th anniversary of Civil Engineering Faculty, Hanoi Architectural University (HAU) and State Authority for Construction Quality Inspection will co-organize the international scientific conference on “Material, Structures and Construction Technology - MSC 2017”.

The language of conference: Vietnamese, English.

The conference is a forum for scientists, lecturers and colleagues specialized in construction industry to present their own research results in the fields of: Computational Mechanics, Construction Material, Building Structures, Construction Technology, Geotechnical Engineering, Structure Inspection and Monitoring... This is also the chance for scientists to share the experiences, show the practical meaning of research results, enhance the training quality and strengthen the cooperation between faculties of Hanoi Architectural University and between HAU and partners.

Previous conferences (MSC 2012 and MSC 2014) organized by Hanoi Architectural University were received the enthusiastic participation of scientists and authors from many Vietnam and foreign universities, research institutes such as: National University of Civil Engineering, Hanoi Water Resources University, Hanoi University of Science, Military Technical Academy, Mientay Construction University, Imperial College London (UK), University of Colorado Denver

(USA), Rostov State University of Civil Engineering (Russia), University of Bretagne Sud (France), Institute of Tropical Architecture, Vietnam Institute for Building Science and Technology, National Institute of Applied Sciences of Lyon (France). In addition, the conferences MSC 2012 and MSC 2014 also received the generous supports from many companies such as Freyssinet Vietnam Co., Ltd., Nikken Sekkei Civil Engineering Ltd. (NSC), USG Boral Gypsum Vietnam Co., Ltd, HUD1 Investment and Construction Joint Stock Company, FECON, LIDECO, LICOGI 20, CONINCO, KATEXCO, Khang Minh Co., Ltd., Phan Vu Co., Ltd.,...

In order to contribute to the success of the conference MSC 2017, Hanoi Architectural University would like to invite all organizations and companies to participate in sponsorship for the conference. Your support will be highly appreciated. Please find the sponsorship packages at the end of this letter.

You can find more information about this event at <http://hau.edu.vn/>. Please do not hesitate to contact us for further information or practical details. We are looking forward to receiving your kind cooperation and support.

Chairman of organizing committee

(Signed)

Assoc.Prof. Le Anh Dung
